RE: SEWAGE SYSTEM - MINAKWA LODGE AND TRAILER PARK

To Whom It May Concern:

We are very thankful for all that Gerry and his company have done for us up to now in our upgrading of the sewage systems here at Minakwa Lodge. Their expertise and assistance has facilitated the process of purchasing a good quality septic system that meets the Ministry of Environment's standards. They also played an important role regarding the acquisition of Crown Land.

Gerry has been an excellent intermediary between Minakwa Lodge and the Ministry of Environment. He is thoroughly knowledgeable with all the guidelines, laws, rules and regulations regarding septic issues, and has kept us up to date from day one.

Furthermore, Gerry and his company have proved to be exceptionally patient, understanding and flexible in many situations. These are indispensable qualities for a business, especially when dealing with a variety of intermediaries and decision makers during tough times.

Our septic system project is not yet completed but we look forward to working with Gerry and his staff at Canadian Shield Consultants. We are confident that once the septic project is completed, it will definitely be an added-value service to Minakwa Lodge and Trailer Park.

Best regards,

Ms. Réjeanne de Blois
